# TATEL

MEXICO CITY

TATEL recupera la leyenda de las barras clandestinas de los años 20 americanos, durante la polémica ley seca, donde solo los locales más atrevidos sobrevivían. Y lo combina con las técnicas más innovadoras y los gustos actuales, para diseñar unos cocktails únicos, que te trasladarán a aquellas tardes y noches de desenfreno.

\*¡No nos olvidamos de los **clásicos**! Pregúntanos sobre los **cocktails clásicos** que tenemos disponibles.

*We have not forgotten about the classics! Ask our team about the **classic cocktails available**.*
